

Schoups – Summer Internship

In search of ...

We are looking for dynamic and motivated law students who are eager to gain practical experience during a summer internship. You will be closely involved in the day-to-day work of our legal teams and will gain hands-on experience by supporting our lawyers on real cases, legal research and drafting, while developing a clear insight into the practice of law within a leading Belgian law firm.

We welcome applications from students with a strong interest in one or more of the following practice areas:

- Construction Law
- Corporate & Commercial Law
- Public Procurement
- Environmental Law
- Real Estate Law
- Employment Law

Profile

- You are a (final-year) law student with a strong academic background.
- You have a genuine interest in one or more of the above-mentioned areas of law.
- You are motivated, analytical and eager to learn.
- You are fluent in Dutch and have a good knowledge of French and English (written and spoken).

Offer

We offer a challenging and educational summer internship, providing students with direct exposure to high-quality legal work. Interns work closely with experienced lawyers and become part of a professional yet approachable working environment.
